SUBJECT: DEPARTMENT OF LABOR (DOL) CASE STUDIES

We are in receipt of a technical assistance guide (TAG) entitled, *Providing Educational Services in the Summer Youth Employment and Training Program*. The guide is an evaluation of the educational component of the Summer Youth Employment and Training Program, which is based on in-depth case studies of 83 educational programs in 30 Service Delivery Areas (SDA) across the country. It is intended to assist SDAs and providers in the processes of designing and delivering enriched, contextual learning programs for their Title II-B participants.

The DOL has also provided a 19-minute videotape, *New Beginnings*, on a different program. In this tape, participants and staff discuss their experience with *Pathways to the Future*, a multi-state program for workers impacted by staff reductions at a particular communications company.

If you are interested in receiving a copy of the TAG guide or borrowing the videotape, please contact Diane Coad, Employment Training Network, at (916) 654-8896.
